### Kentucky News.

A Messenger arrived here yesterday bringing Louisville dates to the 15th. Inluckily our weekly Journals intended for us did not come into our hands. We earn however that it stated that at Chaplin Hill McCoon was reinforced by Gen. Chitrempen and that Gen ROSECHARS was slightly wounded.

### Election News.

The news from Indiana shows that he Voonnies and Vallandigham has rone to the devil where it belongs.

Great Movement on Middle Tennes-

We have good authority for saying that a heavy Federal force will be at Clarksville in a very short time, preparaory to making a grand campaign through Middle Tennessee. This movement will be apt to purify our beautiful region of the damnable traitors who have so long polluted. It is time for certain gentlemen in this city to be preparing to travel. Their insufferable insolence and impertinence has been tolerated until forbearance has ceased to he mouth of rebels and traitors, and then let them get their walking papers.

### Federal Force at Russellville.

Cal. BRUCE, we are informed, took possession of Russellville, the other day. with 1,500 cavalry. His whole force, numbering over 6,000, is probably there before this time.

Indian summer has enveloped the andscape in its blue and misty veil, and the hills and valleys in the distance used to behold the sparkling deserts, the waving palms, the rivers, mountains and fairy islands of the Orient. Beautiful season:

in the autumn time, Earth has no boller and no lovelier clime."

Wrong takes place at the theatre this he pleasure of seeing the 19th Illinois n the Zouave drill. The squad-thirty n number -- commanded by Lieut. Bisnov, went through all the field manouvering subject. n a manuer highly creditable. Their nanuel of arms is as regular as clockvork. But we have neither time nor pace to speak of the military discipline f the 19th Illinois at present. Go to Viorr's benefit this evening, and see for ourselves.

It is said that there are men of mauly nd honorable feelings in the unholy ause of rebellion. If there be such a ne what will be his remorse, should his nhallowed efforts succeed, and his counry perish? One might imagine that as e stood and gazed upon the fair face of ale and mute and motionless Columbia -his mother-stabled by his own hands, would cry like OTHELLO over the corpse DESDEMONA:

O, curend, sursed slave! - Whip me ye davils From the pussession of this mavenly sight!
How me about in windal reast me in sulphur |
Wash me in steep down galls of liquid the laMy country? dead? My country! slead? Oh! oh!" Heaven defend us from the mental torires of such a republicide!

### Late Papers Burned,

A party of guerrillas seized a bundle f late Louisville and Cincinnati papers esterday, and burned them, the news ontained in them being very unfavorable, re suppose. The man who would stop Board. fellow-creature bringing a lote NEWS-APER TO NASHVILLE, ought to be burned p, poisoned, hung, drawn and quartered.

The eighth commandment says: "Thou hoult not steal." Very good commandent that; we endorse the sentiment.

Interpretations of the Tax Law.

In reply to a question addressed to him. embodying the question: 'What tax will foreigners resident abroad have to pay from interest on United States and State and City loans, railway bonds, dividends on railway and other corporabe a virtue. Let a muzzle be placed on tiens?" Commissioner BOUTWELL has decided that whenever coupons are payable in a foreign country, no deduction can be made legally, by virtue of our excise laws. On dividends and coupons payable in this country, the deductions law. In neither case is the residence of the holder to be regarded.

The Boston Journal has the following relating to the excise on bank divi-

A cashier of a bank in this vicinity a few days since addressed a letter to the Commissioner of Internal Revenue, statdeep softly in that dreamy serenity and ing that differences of opinion existed in ceauty in which our boyish imagination regard to the meaning of a portion of the 82d section of the Excise Tax Law; that according to his own construction of it, a bank declaring a dividend, say 4 per cent, or \$4 per share, must not pay the whole of that sum to the stockholder, but per cent less than his dividend, or \$3 88 July 11 er share only; and to withhold the re-THEATRE.-We would again remind maining twelve cents for the Government; our readers that the benefit of Mr. ED. whilst others believed that the provisions of the law would be complied with in such case simply by paying the \$4 diafternoon. He has succeeded in getting vidend to the stockholder and three per up an unusual attractive bill. been received. In reply I would say : Your construction of the 82d section of the tax law is perfectly correct. If your bank declares a dividend of ten thousand dollars you must withold from the parties to whom the dividend is payable three per cent. on that sum, viz ; three hundred dollars, and account for it to the Commissioner of Internal Revenue, as required in the law.

Very respectfully GEO. S. BOUTWELL, Commissioner.
